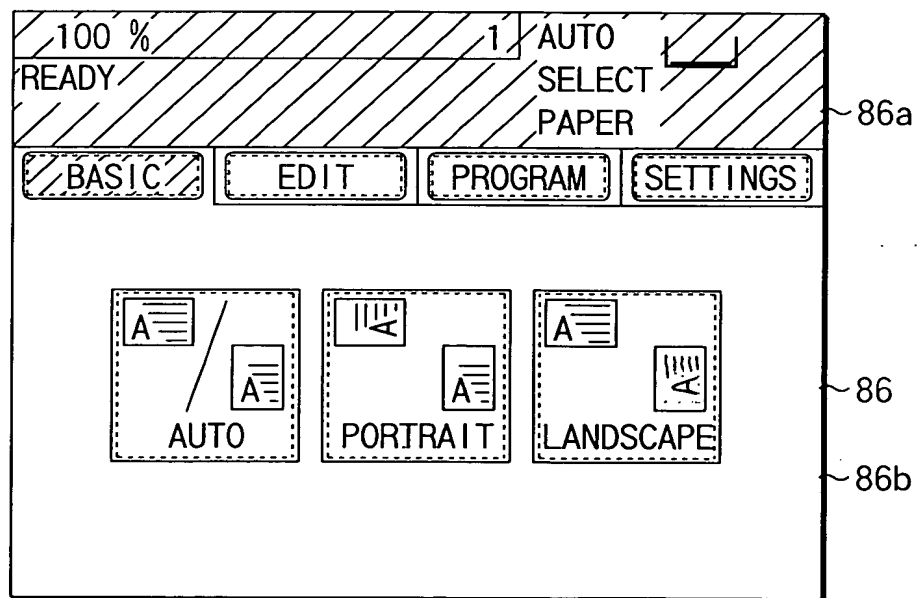

FIG. 3

Figure 1 is a schematic diagram of a control panel 86. The panel features a top status bar 86a with a diagonal hatched background. This bar contains a scale from 100% to 1, the word "READY", and the text "AUTO SELECT PAPER" accompanied by a paper icon. Below the status bar is a row of four buttons: "BASIC", "EDIT", "PROGRAM", and "SETTINGS". The main area of the panel contains five rectangular display windows arranged in two rows: three in the top row and two in the bottom row. The middle window in the bottom row displays the Japanese text "とじ代" (Toshidai). A label 86b points to the bottom row of windows.
